

# Love-feasts in Madhusudan

## (14 Apr-14 May)

N.B. - Fasting is done from one sunrise to the next and break-fast is always after sunrise. For eclipses, please refer your regional calendar. The days for fasting and break-fast have been marked in red for your convenience. In case the Ekâdashi is viddhâ, we do not observe fast; rather we offer and accept grains on this day.
